

AM9-99-0134
09/556,303REMARKS

The amendment to the specification has been made to correct a typographical error. As can be seen in the drawings of the original application, Figure 1A depicts element 108 as a request handler, NOT a response handler. A response handler is shown as a separate element (element 110). Request handler 108 processes all requests through calendar access protocol 134.
